V-Dezign has released there latest car as an update kit for cars like AE L3, L4 and other US based T-bar. This car has already dominated the British Nationals in the hands of Andy Griffiths winning both 19t and Modified classes

The CR '07 update kit will include the following parts:

- Hi-Quality Graphite Chassis
- Light weight Motor pod with super low CG
- Body post plates
- Shock plate/upper motor pod plate
- Extra tweak plate
- Rear stiffener for motor pod
- Motor pod lower plate
- Smooth Tube dampeners

The price for the kit is 140 £ and should be available in May.
